STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

Applicant thanks the Examiner in charge of the above-identified application for the courtesy extended toward his undersigned representative during the telephone interview held on June 11, 2009.

During the interview, Applicant's representative explained the position set forth in the May 4, 2009 Amendment that the amended claim language overcomes the Section 103 rejection set forth in the previous Office Action in view of Teraura (U.S. Patent Application Pub. No. 2002/0170973) in view of Petteruti (U.S. Patent No. 6,409,401) and Ostrover et al. (U.S. Patent No. 6,585,154). In this regard, a detailed explanation of Applicant's position can be found in the Remarks filed with the May 4, 2009 Amendment. Applicant's representative also requested

clarification as to any possible Section 112 issues with the amended claim language. In this regard, the Examiner indicated that she did not find any Section 112 issues in her initial review of the amended claim language.

Any fee required in connection with this paper should be charged to Deposit Account No. 06-1205.
